CITY AND COUNTY OFFICIAL PAPER

FREE COINAGE 16 to 1

For President and Silver:
W. J. BRYAN, of Nebraska.
For Vice-President.
ARTHUR SEWALL, Maine.
For Delegate, "OUR MARK"

UNDER WHICH FLAG?
"We are unalterably opposed to the single gold standard. We demand the immediate restoration of the free coinage of silver to its full legal ratio of 16 to 1, without wait by international agreement for the aid or consent of any other nation. We demand that the standard silver dollar be a full legal tender, equally with gold, for all debts, public or private, and we will prevent the devaluation of silver by private contract." — Democratic platform, Chicago.

The campaign in this county is now actively in operation. Candidates are doing considerable quiet rustling and electioneering, and it is pleasing to note the general feeling of good will and fairness between the opposing nominees. The indications point to a clean, honest campaign throughout and whichever men succeed the people will have the satisfaction of knowing that they are the fair choice of the people.

In regard to the letting of the great register contract last January, we may be permitted to again stop long enough to show how the law was transgressed by the board of supervisors. On election years it is customary and compulsory to advertise separately for all election printing. The board advertised for proposals for certain job printing required by the county as usual, and when the bids were opened it was found that Mr. Fegh had put in a five word bid for printing the great register. Notwithstanding the fact that the board must first advertise for this particular work stating the number of copies required, the kind of paper upon which it is to be printed and the kind of type to be used to thus guide the bidder and hold him to his contract, yet the board exhibited a bronzed disposition which was since displayed in several instances on other county matters coming before their attention, and without giving even a chance to other publishers to put in a bid, they awarded the contract to our contemporary. We do not wish to be looked upon by the public as objecting to these proceedings from a mercenary motive. We have no fault to find with our contemporary for taking the contract, but the PROSPECTOR does object to such out and out evasion of the law on the part of the representatives of the people whose interests they are sworn to protect. The lesson should not be lost on the incoming administration.

THE LADIES.
The pleasant and perfect safety with which ladies may use Syrup of Figs, under all conditions makes it their favorite remedy. To get the true and genuine article, look for the name of the California Fig Syrup Company, printed near the bottom of the package. For sale by all responsible druggists.
